“ To the family of Earnestine Tillis. Earnestine was like a sister to me. We had a lot of good times at work at Motorola and going on trips together. I will miss her so much. She will never be forgotten. I thank God for memories. I have so many. When I look at our pictures it brings a smile on my face. I know she is at peace now and being in Christ we shall meet again. Let not your heart be troubled. God makes no mistakes. This is something that we all have to do whether we understand it or not. My great uncle use to say there is nothing wrong with dying just be ready. Learn of Him who gave us this life. You all are in my prayers. Sorry that I couldn't be there with you. May God strength and keep you all.
