LM

“ Linda Faye Gault was and will forever be my BFF. We met in Germany briefly in 1991. We met long enough to where her first impression was a lasting one because she said something to me that I shall never forget. Fast forward to Fort Lee, VA we rekindled our friendship and it has lasted throughout the tears. We talk at least monthly I just spoke to her last month when my sister passed and I was in the hospital I always let her know what's going on with me. My friend gone but I know she's with the Lord and her SON now. Linda you will always be in my heart and souls. "I love you too" my last words to you. You say it first and I always said it last before we hung up.
