Ms Wells, you were special. I have such fond memories of you. It has been many years since we spoke. However, I always inquired about you through that well mannered son of yours, Adam. A son that you and I are proud of Ms Wells. You were that compassionate and warmth person with an infectious smile. Your memories will forever be with me. Your son Adam and I will forever be connected because of you. Your memories will live on because of the lives you touched.
