Daddy, I love you and miss you dearly, You will always be with me in spirit. I think of you every single day and the day you went away my life changed forever, But I know you are with the Lord and resting and safe in his arms, free from all pain and the wilds of this world. Fly high my love and kiss mama for me. Love you, your bag of bones...Pam!!!

So wonderful to have him in our lives. I thank God, we grew up surrounded by his kindest and blessed to have shared him in the Willie Burrell community as our neighbor.
