Tribute Wall

AJ

“ Sam became our brother in 1989. We were very close to him and loved him dearly. Although when he moved back to Canton we didn't see him and lost close contact. But one thing stands true love that's sincere never dies. From the Kirkland and Lindsey families we love Sam. May God's comfort and peace rest upon you. Thank you for sharing Sam with us.

I will miss my brother. I thank you for the opportunity to be able to have you in my life. All the conversations we used to have, all the times we laughed and just enjoyed each other. Rest easy my brother. GOD loved you best . We will always love you.
