Tribute Wall

TY

“ Troy you will truly be missed. Even though I left home almost 30 years ago, whenever I returned and saw you it was like old times. You always had me laughing. I appreciate you and Charles coming to visit me 3 years ago following my aunts repass. You two had me laughing as usual and you said how very proud you were of your family members. You'll always be in my heart. Love you classmate!!
RIH, Trudy Shelton (Young).

“ To The Davis Family. It's hard to find comforting words to share because Troy was one of my students at Linwood Elementary School. My heart is heavy but we all have to trust God and have faith because He is the Creator and Maker.
When we enter this world our days are numbered. I pray that God will give you strength as you go through this period of bereavement.
Mrs. L. W. Gilmore
