“ I met her in Biloxi at the GenCyber Camp. She was a sweet person whom I enjoyed learning with her as we worked together in groups. On our return home she checked to see if I made it home safely. That meant a lot to me.

“ I picked up The sad & unfortunate Story of Her Passing by accident?

I was Morning with Her Family because of Her Achievements and Her Contributions to the Children of My lovely Town Canton!

Then some days later, I was notified that She was Related to me & Mine! That caused me to Think of Granny's Lula, Annie & Flava & Her Mother Evon! I always looked upon Her Mother as one of my little Sisters!

We, including everyone She Spoke to, have lost a Soldier of Human awakening, education & knowledge!

GOD will sometimes AAllow HIS Chosen in Young, like with Enoch, when Heaven has an urgent need!

Like with JESUS, She was CALLED through Violent Transformation!

Every One that came in contact with Her Spirit, was Made Aware that She was Special!

My comparison with Enoch & Jesus are just some of the possible Evidence!

*May Her Family consider these comparisons, to ease their grief?
We are there with You this Morning & forever!*

Sincerely:

W.A. Roberts, Jr. & Family
